**Character through Warrior Sports Camps**

The summer of 2008 provides the 26th session of Nyack College Warrior Sports Camps. Warrior Camps have placed an emphasis on the teaching of the fundamentals of the game while emphasizing character development. Over 5,500 young men and women have benefited from Warrior Sports Camps at Nyack College.

**Camp Philosophy**

Nyack College Warrior Camps seek to provide quality instruction in the fundamentals of offensive and defensive basketball while providing an understanding and practical application of the sport. This is done within the context of Christian character development and sportsmanship.

**Facilities**

Bowman Memorial Gymnasium was built in honor of Nyack Alumnus Harold Bowman and is the centerpiece of our basketball program. There is a brand new college-sized floor which provides a great venue for our camp.

The Field House enables students and athletes to play all court and field sports 12 months of the year. This air conditioned facility allows athletes to participate and exercise indoors when relief is needed from the heat and sun in the "dog days" of summer.

**Past Camper's Experience**

Dear Coach Jones:

I just wanted to thank you for a wonderful week of basketball camp for my son, Thomas. He has never played basketball formally and this was a great introduction to the game. When we arrived on Monday I was concerned because the other campers were more experienced and older. Thomas came home that first day and could not stop talking about how much fun he had and the different children he met. He spoke of the drills and games and how "cool" it all was. He said today that it was the "best camp he had ever been to" and wanted to know if we could go to the Nyack College Basketball games in the winter!

The award ceremony cemented my praise for this camp. You placed high value not only on skill, but on character. Thank you for the confidence you have given my son and for reaffirming the importance of character.

I will enthusiastically refer my friends to this camp next year.

Sincerely,

Andrea Hennessey
