Camp Staff:

Josh Thompson: As a starting point guard for Nyack College's men's team, Coach Thompson was selected as the MVP of the CACC tournament while leading Nyack to the national tournament in 2000. In 2002, he was hired as Head Women's Basketball Coach and has just completed his seventh season at the helm of the Lady Warrior program. As a former point guard his knowledge of the game and his ability to teach fundamentals has been his trademark since taking over the program.

Ted Quinn: Coach Quinn has 14 years of experience as a director and staff member at a variety of instructional camps across the country. In his 12 years as a high school and collegiate basketball coach, Quinn has coached 5 All-American and 13 Academic All-American players in addition to 24 All-Conference players, including 2 Conference Players of the Year. This measured success is a result of Coach Quinn's focus on fundamental skill development. He will bring a wealth of experience to the Warrior Camps, making it a great place to learn and develop your basketball skills.

Character through Warrior Sports Camps

The summer of 2009 provides the 27th session of Nyack College Warrior Sports Camps. Warrior Camps have placed an emphasis on the teaching of the fundamentals of the game while emphasizing character development. Over 5,500 young men and women have benefited from Warrior Sports Camps at Nyack College.

Camp Philosophy

Nyack College Warrior Camps seek to provide quality instruction in the fundamentals of offensive and defensive basketball while providing an understanding and practical application of the sport. This is done within the context of Christian character development and sportsmanship.

Facilities

Bowman Memorial Gymnasium was built in honor of Nyack Alumnus Harold Bowman and is the centerpiece of our basketball program. There is a brand new college-sized floor which provides a great venue for our camp.

The Field House enables students and athletes to play all court and field sports 12 months of the year. This air conditioned facility allows athletes to participate and exercise indoors when relief is needed from the heat and sun in the "dog days" of summer.

All Warrior Camps include:

- Camp T-shirt
- Camp Basketball
- Personalized Instruction
- Awards Ceremony
