Academic Year 2017-2018

Graduate Professional Degrees: MSOL/ MS.Ed

Nyack College academic Programs and the United States Citizen and Immigration Services require that F-1 Visa students document ability and resources to cover academic and related costs for the complete time of study.

These budget totals are based on estimated costs and actual bill may vary.

Any financial support you receive from Nyack College will be documented by our offices.

F-1 students are allowed to work part-time on-campus only. Employment cannot be applied to budget.
