Sponsor's Affidavit of Room and Board Support Instructions

Your Commitment as a Sponsor

When you complete the Sponsor's Affidavit of Room & Board on the other side of this page, you are certifying and swearing to Nyack College, Seminary and Graduate School, a public official, and the US government that you can and will provide the named student with housing and food for every year of study at this Nyack College.

Your signature assumes that you have carefully considered all the expenses of supporting the student while living and studying in the New York Metropolitan area and do not expect that he/she will be able to find employment on or off campus. Employment is strictly controlled by the U.S. Immigration Service and is extremely difficult to get. Sponsors who fail to meet their stated commitment jeopardize the student's education and legal status in the US.

Instructions for Completing the Affidavit

1. Fill out the form completely.
2. Sign the affidavit in the presence of a notary public or other licensed official. **The notary public or official must sign the official seal on the affidavit.**
3. Attach official documents substantiating your ability to provide housing, e.g., two utility bills (two months each), and a copy of a lease, deed of ownership with your name and address, etc.
4. Utility bills must be in English and no more than three months old. Photocopies and faxes are accepted. Other ownership/property control documents must be official and legal.

Substantiating Availability of Accommodations

1. As proof of the adequacy of the room/space offered for the student, please send a photo of the room and also a written description of the space accommodations, rooms in the home and persons living in residence.
2. We take the accommodations of the student very seriously as this will directly impact their well-being and performance during their years of study.
3. We discourage anyone from offering support of with room and board to a student unless they have carefully considered these factors and are willing to follow through on the documentation and commitment of the support.
