SPONSOR'S AFFIDAVIT OF SUPPORT INSTRUCTIONS

Your Commitment as a Sponsor:

When you complete the Sponsor's Affidavit of Financial Support on the other side of this page, you are certifying and swearing to Nyack College, Seminary and Graduate Schools, a public official, and the US government that you can and will provide the named student with a specific amount of money for every year of study at this institution.

Your signature assumes that you have carefully considered all the expenses of supporting the student while living and studying in the New York Metropolitan area and do not expect that he/she will be able to find employment off campus. Employment is strictly controlled by the U.S. Immigration Service and is extremely difficult to get. Sponsors who fail to meet their stated commitment jeopardize the student's education and legal status in the US.

Instructions for Completing the Affidavit:

1. Indicate the amount of financial resources you intend to dedicate to the student.
2. Sign the affidavit in the presence of a notary public or other licensed official. **The notary public or official must sign the official seal on the affidavit.**
3. Attach official documents substantiating your ability to provide your stated financial commitment.
4. Documents must be in English, less than six months old and in US dollars. Photocopies and faxes are accepted. The student will need the originals when applying for his/her visa.

Substantiating Financial Support:

Substantiate your ability to support the student by sending the following documents:

1. An account statement from a bank or other financial institution stating the date the account was opened and present balance. Bank statements alone will not be accepted as sufficient proof of ability to support the student. All statements must indicate US dollar amounts. Bank forms should be accompanied with official bank signature and seal.
2. A letter from your employer on business stationery stating your annual salary OR income tax receipts and forms. Attached notarized translation of these statements in English and US dollars.

DO NOT SEND:

1. Information about non-liquid funds or property. It is assumed income from investments will appear in other accounts.
2. Retirement account information.
3. Bank statements or tax returns that are not in your name.
