

Estimated Budget Worksheet – Academic Year 2022-2023

Master of Business Administration

Nyack College academic programs and the United States Citizen and Immigration Services require that F-1 Visa students document ability and resources to cover academic and related costs for the complete time of study. **These budget totals are based on estimated costs and actual bill may vary.** Any financial support you receive from Nyack College will be documented by our offices. F-1 students are allowed to work part-time on campus only. Projected income from employment cannot be applied to budget.

I understand I must provide documents that show support needed to cover the Total Estimated Budget.
