## 2021-2022 Professional Judgment

Nyack College realizes that students and their families may experience unforeseen circumstances and/or expenses during the academic year '21-'22, which may not be reflected on the FAFSA (Free Application for Federal Student Aid).

This form is designed to address the possible need for additional **FEDERAL** assistance as a result of these expenses and/or unusual circumstances through a process called a 'Professional Judgment.'

- Federal Financial Aid regulations state that the Institution's decision to perform a Professional Judgment on a student's and/or parent's income must be made on a case-by-case basis, justified by an individual student's unusual circumstances, and must be documented in the student's file.
- Students appealing for a Professional Judgment will be expected to provide **ALL** required documentation. Additional documentation supporting your particular situation may be submitted by the student and/or requested by the Office of Student Financial Services.
- You must complete this form and attach **ALL** applicable documentation to be considered for a Professional Judgment at Nyack College.
- Renewal of the Professional Judgment is **NOT** automatic. If this request for a Professional Judgment is approved, it is granted **ONLY** for the 2021-2022 academic year.

To complete an appeal, fill in all blanks, attach the requested documents, sign and date this form on the back. Submit this form to the Office of Student Financial Services and allow at least 2 weeks for processing time. You will be notified of the decision by mail, e-mail or phone.
